REDEEMING GRACE MINISTRIES

REDEEMING GRACE IS EXPANDING!

God has given us a vision to create a Transformational Community, addressing the urgent needs of women recovering from substance use.

The goal of our expansion is to reach and transform the lives of even more women through a program that has already made a profound impact. With your support, we can take this next step together. By donating to our **Expanding God's Vision** campaign, you become a vital part of this mission—helping us extend hope, healing, and empowerment to those who need it most. We'd be honored to have you join us on this meaningful journey.

RGM HAS HAD TO TURN AWAY OVER 100 WOMEN AND CHILDREN.

With the lease on our current property ending in 2026, it's critical to move forward with these plans. Our unique Christ-centered residential program provides support, job training, life skills and off-site counseling so that women can rebuild their lives and experience everlasting recovery.

Our vision is a **Transformational Community** including a home for women, a separate home for women and their children, and a Transformation Center. Our long-term vision includes adding an affordable living option for the women to live independently within the safety of a loving community.

WE'RE HIRING!

The **Ministry Operations Manager** is responsible for ensuring that the administrative, financial, and organizational systems of Redeeming Grace Ministries function smoothly and with integrity. This role supports the Executive Director by overseeing the internal structure of the ministry—financial processes, documentation, organizational systems, and operational procedures—so that staff and programs can focus on serving residents effectively.

Redeeming Grace Ministries is an equal opportunity employer. We encourage and welcome diversity, recognizing it as a key competitive advantage. The value of different backgrounds and perspectives should not be overlooked. Having a diverse workforce assists us in looking at all situations from a variety of angles and encourages the development of innovative ideas and solutions. Embracing and understanding what each employee's background and perspective can contribute gives us a competitive edge.

If you apply, please briefly describe your experience creating systems or managing operations in your cover letter. If you have any questions, feel free to email us!

“

*The Foundation of our
ministry is Love!
We love because He
first loved us!*

1 John 4:18

”

Please send your resume and a cover letter to

Expansion Updated: A Critical Time to Give

With 85% of individuals relapsing within a year, the need for lasting, supportive environments has never been greater. At Redeeming Grace Ministries, we provide a residential home for women transitioning from correctional facilities or rehabilitation programs—offering stability, community, and a path toward true, lasting recovery.

As more women seek this life-changing support, we are stepping into a critical season of expansion. Our goal is to create more space, extend our resources, and reach even more women who are ready to rebuild their lives.

This growth is only possible through the support of our community. By giving, you are helping us make room for healing, restoration, and second chances. Together, we can expand our impact and change more lives.
